Course: THTR 2025 002 DiSalvo

# Student

Mr. DiSalvo is the best! He cares if we succeed and does anything he can to help!

# Student

Definitely the best class I've ever taken in my four years at LSU. I'm not sure I really grew as an actor (but that's kinda hard to judge internally), but I've been given the tools and knowledge on how to become a better one, which is more valuable to me. Mike was really funny and made the class fun, as well as being an awesome actor, and I made an effort to always attend class just because I knew I would learn.
